bella's story

*In the aftermath of Italy's economic miracle, along
the sun-drenched cliffs of Positano, an unassuming
casa became the most coveted address
on the Amalfi Coast.*

*It was here that Bella, the coast's favorite muse,
transformed her beachfront home into an exclusive
sanctuary, a retreat for those yearning not only to
be seen but to truly escape.*

*Welcome to Bella, a timeless lounge where nostalgia
and futurism exist side by side, and the day's light
dictates the night's mood.*
